

Communardo GmbH : Head of Academy (m/f/d)

Arbeitsort: Kleiststrasse 10a, 01129 Dresden

Einstellungstermin: nächstmöglich

Communardo is one of the leading Platinum Partners of Atlassian in Germany, Austria and Switzerland, and app vendor for the Atlassian ecosystem. Our software helps enterprise clients to implement superior collaboration solutions based on Atlassian Confluence and Jira. Furthermore, we provide integration solutions for Atlassian products with Microsoft SharePoint and Office 365. Starting from 2018 we were also operating from our branch in Tirana where a team of Software Developers, Product Owners, Marketing and Designers, are helping in developing our products further. Your role - You are responsible for the conception, implementation and continuous development of a group-wide academy for the training and further education of employees in the consulting and IT environment - Together with the managers from the business units, you will create training and development programs that are aligned with Communardos strategic goals - You establish tools...
